NUTS NOTES ++++++++++++++++

Vol 10 No 3 Editor: A Huxtable 78 Toynbee Road LONDON SW20 8SR Autumn 1972

EDITORIAL

We have decided to issue copies of the AGM minutes to all members, and not just those who specially asked for them. The rule changes have been incorporated in the latest issue of the Constitution, which has already been circulated.

The more alert among you will have noted two new names in the up-dated list of members mailed earlier this month: Malcolm Harris and Janette Pye. They should make valuable contributions to our work (respectively with Borough Road C results and women's walking lists). Malcolm, incidentally, now holds the doubtful distinction of being the youngest NUTS member. We were pleased to see them both at the annual dinner at the Hostaria Romana on 24 September at which the Hon Secretary of the WAAA was guest of honour.

We should like to thank Keith Morbey for his detailed analysis of the entries in the NUTS Olympic forecasting competition and congratulate Len Gebbett on a fine piece of prognostication. Scores for Cliff Temple and Mel Watman in two categories were derived from their forecasts in the "Sunday Times" and "Athletics Weekly" respectively.

With this issue we are starting the simultaneous publication of up-dated lists of UK ALL Time Best Performances and the cumulative index to editions of "British Athletics" (1959-72).

The next issue of NUTS Notes will be mailed before Christmas so please let me have any contributions by the end of November.

MISCELLANY

- X All members, and list compilers in particular, are reminded that copies of "British Junior Athletics 1972" are available at 35p (including postage) from Andrew Huxtable (address above). Also still available are limited Start 3/72 (includes World All Time best performances 150 deep to July 1972)0.25) postage
- X Denis Briscoe, probably the most fanatical Goon Show addict in the NUTS, claims a record as being the only English NUTS member to have witnessed the world 2M record by Emiel Puttemans in Edinburgh last year. On the subject of the Goon Show, nine of the best scripts have just been published by the Woburn Press at £1.90.

THE DREAM OF CHAIRMAN ALF .

On the night of 13 July/morning of 14 July 1972 I had an amazing dream that was so vivid and real that even today (6 August) I cannot believe that it was only a dream and did not, in fact, happen.

I dreamed that I was in the Olympic Village in Munich and was sitting at a table when John Le Masurier came along and sat opposite me. He handed me a small syringe and our conversation went as follows:

APW: What's this?

This is a new drug which has been invented by our doctors at the JleM: Medical Research Centre for our Olympic team.

APW: Isn't it illegal?

Yes it is, but when we arrived in Munich we found that the British JleM: team was the only one not on drugs so it was decided to give this new APW: What does the drug do?

All it does is remove an athlete's nerves before a race and helps him JleM:

to be completely relaxed whilst he competes. The drug is not traceable in tests.

APW: That seems a good idea. But why give me a syringe? I have no athletes in the team.

That's right, you haven't. I should not have told you about it.

If we have any amateur (or professional) psychiatrists among our members I would be pleased to hear their interpretations of my dream. The way things are going it could be true by Montreal!!! Or is the drug money?

EXECUTIVE COMMITTEE MEETINGS

Arising out of the AGM, Item 10 (AOB) was discussed at an EC meeting on 20 October. It was decided that it would be impracticable to fix dates of meetings well in advance, but that members not on the Committee who wish to attend may either ask to be notified of dates or check at the time they are in London. Meetings are normally held on Thursday or Friday at monthly intervals. Please contact the Hon Secretary if you are interested.

BIRDS EYE/NUTS CLUB OF THE YEAR TROPHIES

Tony Miller will not be able to undertake the women's club of the year computations for 1972 as he is fully extended on compilation of the Intermediate lists. Are there any members who would be willing to take this on? Both Liz Sissons and Tony Miller will be pleased to make available any data which is required. Please contact the Hon Secretary at once if you are interested.

EUROPEAN CUP 1973

You will have noticed that the European Cup finals are to be held next year in Edinburgh - women on 7 September, men on 8/9 September. In accordance with the views expressed at the AGM (Item 9(e)) would all members intending to go up please notify the Hon Secretary as soon as possible.
