Vol 12 No 3 Editor: A Huxtable 78 Toynbee Road LONDON SW20 8SR Autumn 1974

EDITORIAL

Striking a more positive note than that of our last editorial, I should like to thank all compilers who have produced their 1974 lists on time. This should ensure (barring printing delays) that the annual is out on target next year. The index is being restored, which taken in conjunction with an explosive increase in paper costs, will mean increasing the price. We are currently seeking advertising and with other financial support should be able to increase the total print order from 750 to 1,000 copies.

Brian Nott has frequently drawn attention to the facility which exists for members to pay their annual subscription by bankers order and if you are not already doing so, would you please complete the enclosed form.

I was saddened to hear - whilst I was in Rome - of the death of Dave McJannet. Like David Keddie and Doug Busst, he was only in his fifties and despite having recently suffered a heart attack was still very active, particularly in the field of announcing. A fuller appreciation will appear in the 1975 annual.

MISCELLANY

Ø Copies of the following publications are available; they are free but please send stamp(s) to cover the postage indicated:

SCOTTISH ATHLETICS YEARBOOK 1974 (2)	7p
START 3/74 (1)	5p
CZECHOSLOVAK YEARBOOK 1974 (8)	9p
NORWEGIAN YEARBOOK 1974 (6)	13p

Also available at £1.50 (post free) are copies of the 1974 ATFS WOMEN'S T&F HANDBOOK (see review in "AW", 10 August issue).

Send orders for all above to Andrew Huxtable 78 Toynbee Road LONDON SW20 8SR

Ø Peter Matthews has contrived to mention the NUTS in his contribution "The Record Breakers - how far can they go?" in the ITV "World of Sport Annual".

Ø Cliff Temple, apart from achieving notoriety at the AAA AGM, has had articles in "The Guardian", the most recent of which "Just the Ticket" appeared on 26 October. His fixture, Cliffhangers v Chelsea CPE, will be held in 1975 at Eastbourne on 11 May.

Ø Dave Cocksedge, as you will have seen from "AW" (9 November issue), completed the Unigate Marathon at Harlow. I shall not keep the details of his performance secret: he was 146th in 3:17:44.

Ø Congratulations too to Colin Young on his fine effort in the Accolade 8 hrs at Haringey; he was pleased with the result (80.550km), "considering I was moving home the day before ... never again!"

IMPORTANT!!!

1. Have you returned the questionnaire sent out early in October? Please note that the deadline is 1 December 1974.
2. Have you sent money for copies of UK ATHLETICS ANNUAL 1974 sold to Brian Nott, and returned unsold copies to Andrew Huxtable? Please do either or both as soon as possible and certainly not later than 31 December 1974.

LES CROUCH WRITES ...

I believe it may be useful to use NUTS Notes as a vehicle for airing grouses/complaints or perhaps even positive and beneficial criticism or even more awe inspiring helpful suggestions. To that end, I have jotted down some thoughts which may provoke some thinking.

- 1) Cost of programmes at recent major meetings e.g. UK v GDR and Wales v Canada which were "empty", i.e. without contestants' names.
- 2) The apparent need for promoters to have an "Emergency Ward Tony". I respect that in a number of areas Tony Ward is a better than average (and the average is not good) announcer. However, I have always looked for consistency and I am irritated by "No 10 Smith, Roger Smith" and this followed by "No 6 Dave Jenkins". By all means favour the few with a brief résumé of their titles and records, but in the actual announcement please keep it plain. One interesting sidelight is that in the Wales v Canada match Tony Ward had Bob Maplestone as a Welshman, a Canadian and then a Welshman all in 30 seconds. However, to be fair, I could not be better myself - and that's some accolade!
- 3) Last year there was some correspondence published in NUTS Notes between Bob Phillips and Stan Greenberg. May I weigh in with my two-pennyworth? There can be no doubt, in my view, that the NUTS are not the group they were 15 years or so ago. Then they were a bunch of youthful amateurs who were largely unconnected with the establishment. Today a number of the members of the inner sanctum are professionals. I wonder how many of the newer members view the Bob Spakes (sic), the Melvyn Wetmans (sic), the Stan Greenburgs (sic) etc as faceless names? All these people have done, and continue to do, more for athletics than I could ever hope to. However, the incidents of last year's AGM cannot but underline the "them and us" situation. Gone are the days, halcyon days, of the cluster of babbling voices at the end of the meet (come back White City, all is forgiven), gone is the enthusiasm with which the news of fresh marks were greeted. Are we (they) all too old? too blasé? too reactionary? too established?
- Having written the above and then re-read it I realise I may have given offence; let me not apologise, let me again "pay tribute to those without whose efforts etc etc". But let us not forget that nothing is standing still and as next year's sponsor may yet be Mr Hefner perhaps these ramblings could be forgotten in a blaze of figures.
- 4) I recall that some years ago NUTS Notes carried biographies etc of members. Would it not perhaps be useful to recommence that idea, perhaps expanding them to interview length?
- 5) Perhaps you, Mr Editor, could appeal for humorous anecdotes arising from members' association with athletics? Golfing stories abound - why not track tales?
- 6) If funds are a problem, why not offer life membership for a once-only subscription of, say, £25?

Thanks for writing, Les. I will comment only on your last three points. Yes, the very first (July 1959) issue of NUTS Notes carried brief biographical details of all 31 members. In addition, we have published interviews with the following: Mel Watman, Bob Sparks, Peter Martin, Stan Greenberg, Martin James, Patrick Mackenzie, Bob Phillips, Keith Morbey, Peter Hopkins and Liz Sissons. I shall be pleased to publish further interviews and would welcome offers from willing interviewers and interviewees. Likewise, I shall be very pleased to receive humorous anecdotes (or indeed any article) for inclusion. A formal proposal to create a category of life member could perhaps be put forward at the 1975 AGM. Ed.

WHO'S WHO IN THE NUTS

David Thomas Everett b. 23 January 1941, Cromer (Norfolk); 1.85m/76.0kg; schoolteacher; married, no children; other interests: woodwork; best : 100y - 10.1, 440y - 50.9, LJ - 7.11m/23-4.

MEMBERS' PENTATHLON AND DINNER

For those unfortunate enough to miss these sensational events, here are some details for posterity. The pentathlon was held at Battersea Park on 29 September in good conditions; the entry was, unfortunately, no higher than when last held in 1971, and considerably lower than 1970 when 12 members turned out.

Result: 1 J A Carter 1484 (4.66 33.84 27.0 24.89 6:24.0)
 2 R Sparks 1179 (5.01 22.44 27.0 19.75 7:03.8)
 3 P J Matthews 816 (4.36 23.38 31.0 17.72 6:11.6)

The venue for the dinner was changed from Hostaria Romana after several years to Le Bistro in Chelsea, and we were very pleased to welcome as guests John and Judy Vernon. There was fairly general agreement that the venue was a good one and we shall probably return there in 1975. Incidentally, it may be of interest to list some of the "notables" who have attended in previous years: Mel Batty, Norman Harris, Jan Popper, Iris Lincoln, Rita Lincoln, Lillian Board, David Hemery, Martin Winbolt Lewis, Richard Ashenheim, Barbara-Anne Barrett, Ruth Martin-Jones and Marea Hartman.
